Research Lead at R3

"If you're looking to turn insight into action and unlock potential in this evolving market, we invite you to reach out to us and give us the opportunity to show you how we can help.

Gaining momentum
We launched our **Private Client Division** in the last quarter of last year and continue to gather pace and recognition as an industry expert in this area (*see the press clipping on the right*), solidifying our reputation as a trusted authority in market research and insights.

Industry knowledge
We combine data-led market analysis with on-the-ground expertise. We have already helped people buy, not just in London but also more recently outside of London in areas such as Ascot and Maidenhead (Berkshire).

Some of our research is available online and can be accessed on our dedicated page – **LINK**.

A complex market
The property market in the UK remains a complex and competitive arena, especially the one in London, and this is where our knowledge and experience can give our clients a competitive advantage, enabling them to identify and secure opportunities and value that might otherwise be out of reach.
